

cookoo™
The connected watch

Pick and choose in the App which notifications you wish to receive on your wrist (icon, beep or vibration):

- incoming calls
- missed calls
- calendar reminders
- when you leave your mobile device behind
- Facebook messages and posts
- when it is time to charge your mobile device,

At the push of a customizable COMMAND button, take specific actions:

- music control
- snap a photo remotely
- 1-button Facebook check-in
- location tagging on the map

Does not need to be recharged and uses a standard CR2032 button-cell battery

Compatible with the latest Bluetooth® SMART READY devices such as iPhone 5, iPhone 4S, iPad mini, iPad (4th & 3rd generation), iPod touch (5th generation) on either iOS 6 or iOS 5. More devices will be announced in the near future.

The COOKOO App is available on App Store and regularly updated to add new features.
